Something a little different for your function

Looking for a venue that breaks away from the norm? We offer the lush canopies of wattle trees to celebrate under and a glass marquee filled with crystal chandeliers for shelter when the sun goes down.

Our versatile indoor and outdoor facilities are perfect for everything from team building to corporate events, birthday gatherings, baby showers and everything in between.

Large events with an intimate atmosphere

Die Woud can accommodate up to 140 guests in our exclusive wooded area. The venue lends itself to a timeless, tasteful event as well as a night of revelry under the stars.

We are situated just outside of the beautiful little town of Caledon, in the Overberg Western Cape, which is 113kms east of Cape Town's city centre. Not too far out of the city, but just enough to get away.
